### **Letter to the Editor**

Please help Tip of the Mitt Watershed Council salute our volunteers during National Volunteer Week. Hundreds of volunteers contribute countless hours helping to protect our precious lakes, streams, wetlands, and ground water. Whether helping in our office, garden, at an event, on a lake or stream, our volunteers understand that everyone shares in the responsibility of taking care of our environment. We wish to thank the Retired Senior Volunteer Program (RSVP), Master Gardeners, river cleanup volunteers, lake monitors, mapping and electronic data volunteers, and technical advisors. An additional thank you goes to our Board of Directors for valuable leadership and insight. The Watershed Council staff greatly appreciates the time, energy and commitment made by all our volunteers.

Gail Gruenwald  
Executive Director
