Data Entry

By October 31st, please:

(1) Please enter your field data (i.e., lake name, sample date, etc.) into the MiCorps Data Exchange soon after collecting your samples. After the EGLE lab processes your sample, the sample result will be added to your field data in the Data Exchange by MiCorps staff.

Data Sheet Turn-in Protocol

(1) Make a copy of your field data sheets to keep for your records

(2) Put **one copy** in a baggie to keep it dry

(3) Deliver the frozen total phosphorus samples **with the data sheet** to the designated drop-off location on the designated turn-in date (according to the Spring Phosphorus Sampling Schedule).
